

Animal Care will remain open regular business hours in light of the Covid19 outbreak in Massachusetts.

The health and safety of our patients and clients is always our first priority and maintaining a clean and sanitary environment for everyone will remain our focus.

In order to provide the safest service possible, only staff members are allowed in the building. We are providing curbside service for pets and transactions.

Please call ahead when you are here for an appointment or if you are picking up medication/food orders.

If you have an appointment scheduled and are experiencing flu-like symptoms, please call us to reschedule or discuss other arrangements.

Thank you for your understanding during this difficult time. Stay safe!
